Ref: December Holiday

Dear parents/carers,

We hope you are in the best of health and Iman. Aameen.  
We are writing to inform you with some important updates.

## December Holidays

We would like to begin by expressing our appreciation and prayers for all staff, students and parents at Jamia for their persistence and patience during these difficult times. We understand it has been extremely challenging especially during this second lockdown and extra precautions we have had to take in relation to the weekend breaks. We pray that Allah (swt) grants us all safety from all difficulties and strength during adversities. Aameen.

In light of the situation, senior management has decided to extend the December holiday. We had scheduled the December holiday for 1 week but it will now be changed to 2 weeks. We hope this will be a good opportunity for students and staff to spend time with their families and recuperate for the next part of the academic year.
