8th July 2021

RE: End of Year 2021

Please note that this is generic correspondence sent to all parents and guardians.

We are writing to bring to your attention some important reminders as we come to the end of this academic year.

End of Year Exams & Awards Ceremony

Alhamdu lillah, students have been working hard for their exams and we hope them all success in this world and Akhirah. We are also grateful to all the parents for their Duas and support during this stressful time for our students.

We will be holding a results day and end of year ceremony with our students on **Sunday the 18th of July 2021**. They will be finishing at approximately **11am** and parents can collect to take them home for the summer break.

September Start Date

In Shaa Allah, the date for existing students to return has been set for **Sunday the 5th of September 2021**.

Current day students to return on **Monday 9th September 2021** at **8.30am**.

Further details will be provided during August 2021 for timings etc, and this is also subject to changes considering the recent pandemic. We do pray and hope that the situation will remain stable so we can carry on as scheduled.

Ofsted Social Care – full Inspection report

We recently had an Ofsted Inspection from the Social Care department. This was a full 3 day inspection which took place from the 25th to the 27th of May 2021. Alhamdu Lillah, with hard work and support from staff, students and parents, we received a very good report. We would like to congratulate and give Mubarak to everyone in our Jamia family for this great news and we pray that we can continue to work to improve all the time In Shaa Allah!

Please see full report on; <http://www.jamiaalhudaa.com/ofsted>

Jamia Qurbani Appeal

Please support us by spreading the word with family and friends about the Jamia Qurbani appeal.

Please see attached poster in this email for more details.

Medical / Non-medical external appointments & visits

As you know, Jamia is running on charitable donations alongside parental contributions in a category-based system. The parental contribution (whatever amount that is) is a contribution towards costs of education, meals and supervision in the residential. The contribution does not cover the full cost per student as you will know from the first day of induction.

The arrangement and costs of healthcare visits (GP, Hospital, Dental Care) or any other external visits such as trips and excursions are the sole responsibility of the parents and are not included in the parental contributions.

In the case of an emergency – parents are contacted so that they can try their best to come as soon as possible to accompany their child for the emergency. If this is not possible, the management approaches staff (all our staff have DBS checks in places) to give up their own time to accompany any child to appointments/emergencies. We then communicate with the parents – who usually allow to proceed with costs

Jamia Al-Hudaa

mentioned. Most parents are very grateful that we can help them in this regard as sometimes they have no way of making it on that day due to commitments etc.

Alhamdu lillah, we appreciate that staff give up their personal time, rest/sleep and risk infection/Covid in an hospital environment – despite a minority of parents not appreciating this as they should. Parents should remind their children that an emergency is an emergency and money is not more important than health. Many a time parents have paid very late –but staff have never raised any issue, because, for them, student well-being is more important. We will also provide invoices to parents who request so to avoid any confusion of hours and costs between students/parents.

Parental Contributions

Jazaakumullah Khairan if you have finalised this year's parental contributions despite the financial challenges of the past year. There are still many parents who urgently need to update payments and they need to contact finance admin as soon as possible. We have tried giving parents much more time, but this has had an adverse effect on the Jamia finances, and we need parents to fulfil their commitment for the Jamia to continue. Please remember to confirm your daughter's place during August 2021 by making the first instalment so we can ensure all preparations are in place for September 2021 for returning students.

How to pay

The best and safest way is by phone call, bank deposit or **bank transfer**. Please include your daughter's name and class as reference when you make any payment. You can email us the receipt of the online transfer to ensure we have logged your payment and make a receipt for you. You can post out **cheques** (payable to 'Madni Trust') as long as you send it by secure post.

Bank Details:

Madni Trust

Natwest Bank

Sort Code: 60-11-33
