RE: March 2021 Return

12th March 2021

Dear parents/carers,

We hope you are in the best of health and Iman. We would like to thank you for your cooperation and support through these difficult times. May Allah (swt) protect us all and enable us to continue together in this journey of sacred knowledge.

Update

Alhamdu Lillah, the fire system engineers left a short while ago and they confirmed that the new panel has been successfully configured and is now in good working condition. This allows for us to continue as planned.

Plan for Return

- Parental contributions must be settled before and you can contact via admin@jamiaalhudaa.com for any enquiries. This will be checked at the gate upon return before the Covid testing.
- Please note that attendance is mandatory and required. No arrivals on any other date except by prior appointment via secretary@jamiaalhudaa.com.
- In our risk assessment, we have decided that we will partake in the test and trace system. The primary reason for this the well-being of all our Jamia staff and students as well as extended family members. We have a staff and students from diverse backgrounds from across the UK and beyond and it is important we partake in testing to reduce the risk of spread and further disruption.
- It is not mandatory and anyone returning will have to consent to taking the test. Eventually all students will have to take a test as in the case of even a single case from the same bubble, the only way for them to stay in the Jamia would be to take a test. Otherwise they will need to go home and isolate for 10 days.
- Covid testing will take place in gym hall and only the student will be allowed in for the test and then they can bring their belongings once the result is clear.
- The instructions for the test with video guidance are available at: www.gov.uk/covid19-self-test-help
- Please bring a pen with you for the registration card. The test centre ID for Jamia is: **JARC**
