Ref: Shopping List / Daily Routine

Dear parents/carers,

We hope this letter reaches you in the best of faith and health.

As we near the re-opening of our Jamia and return of our students this coming weekend, we would like to update everyone with some more guidance In Shaa Allah.

The following will be provided;

- Toilet paper – only for toilet use
- Foam hand wash is installed at all sink basins around the Jamia

List of things students need to bring from home for extra precautions from Covid-19;

- Own stationary items - no sharing allowed.
- £4 to purchase additional pack of 10 exercise books – this is to reduce the need to stock up again and is a strong recommendation. You can request this alongside the pack of 10 you will receive with books package.
- Enough tissue for sneezing/nose, shampoo etc.
- Foam disposable plates, bowls, spoons, cups etc. to be enough for 4-5 weeks
- 1 high quality microwavable plate, bowl, mug etc. This should preferably shatter proof for safety reasons.
- Masks/Niqab to be worn at all times where social distancing is not possible.
- Hand sanitizers – small bottle to be kept at all times and no sharing.
- Anti-bacterial wipes (shouldn't contain bleach)
- Gloves
- Enough socks to be changing on a daily basis
- A minimum of 2 sets of uniform
- Qurans / Quran Translation – no sharing
- Personal prayer mat to use at all times during prayer time
- Ketchup, Mayo, chilli sauce sachets only. Bottles were previously kept in shared fridge but we do not want students crowding to access these.
- Please remember that no food should be kept in bedrooms due to health and safety policy. Dry foods maybe stored in students personal storage.

Please note there will be sanitisers available in places around the Jamia, however, to reduce sharing, we are requesting for students to have their own sanitisers regularly with them. Students will be asked to sanitise every lesson and wash hands regularly during day and boarding times.

As the new normal day at Jamia may have a stress impact on the students, we recommend for them to have sensible activities they can share with their room members.

The students can bring the following games to use with their own room members:

- Basic Art/Creativity Resources
- Scrabble
- Quran & Hadith Quiz Games
- Uno
- Articulate

Laundry and phone time will continue as normal but with special safety measures in place. Student Halaqa's will be taking place over the microphone.

We are in touch with the local authorities to check our risk assessment and measures in place. We will also upload that to our website as soon as that is confirmed. We have already provided detailed training to staff on our risk assessment during the last week of training.

We'll continue to keep in touch if there are any updates to our plans or if we need to make changes due to new or updated government advice.
